

Interpreting
modern art can
be **hard**.

Don't sweat it.
We're here to
help.

When entering the
museum, press this
button to begin a
trip.

When you see a
piece you really like,
pull the slider!

You'll have 30
seconds to really
look and **think** about
the piece.

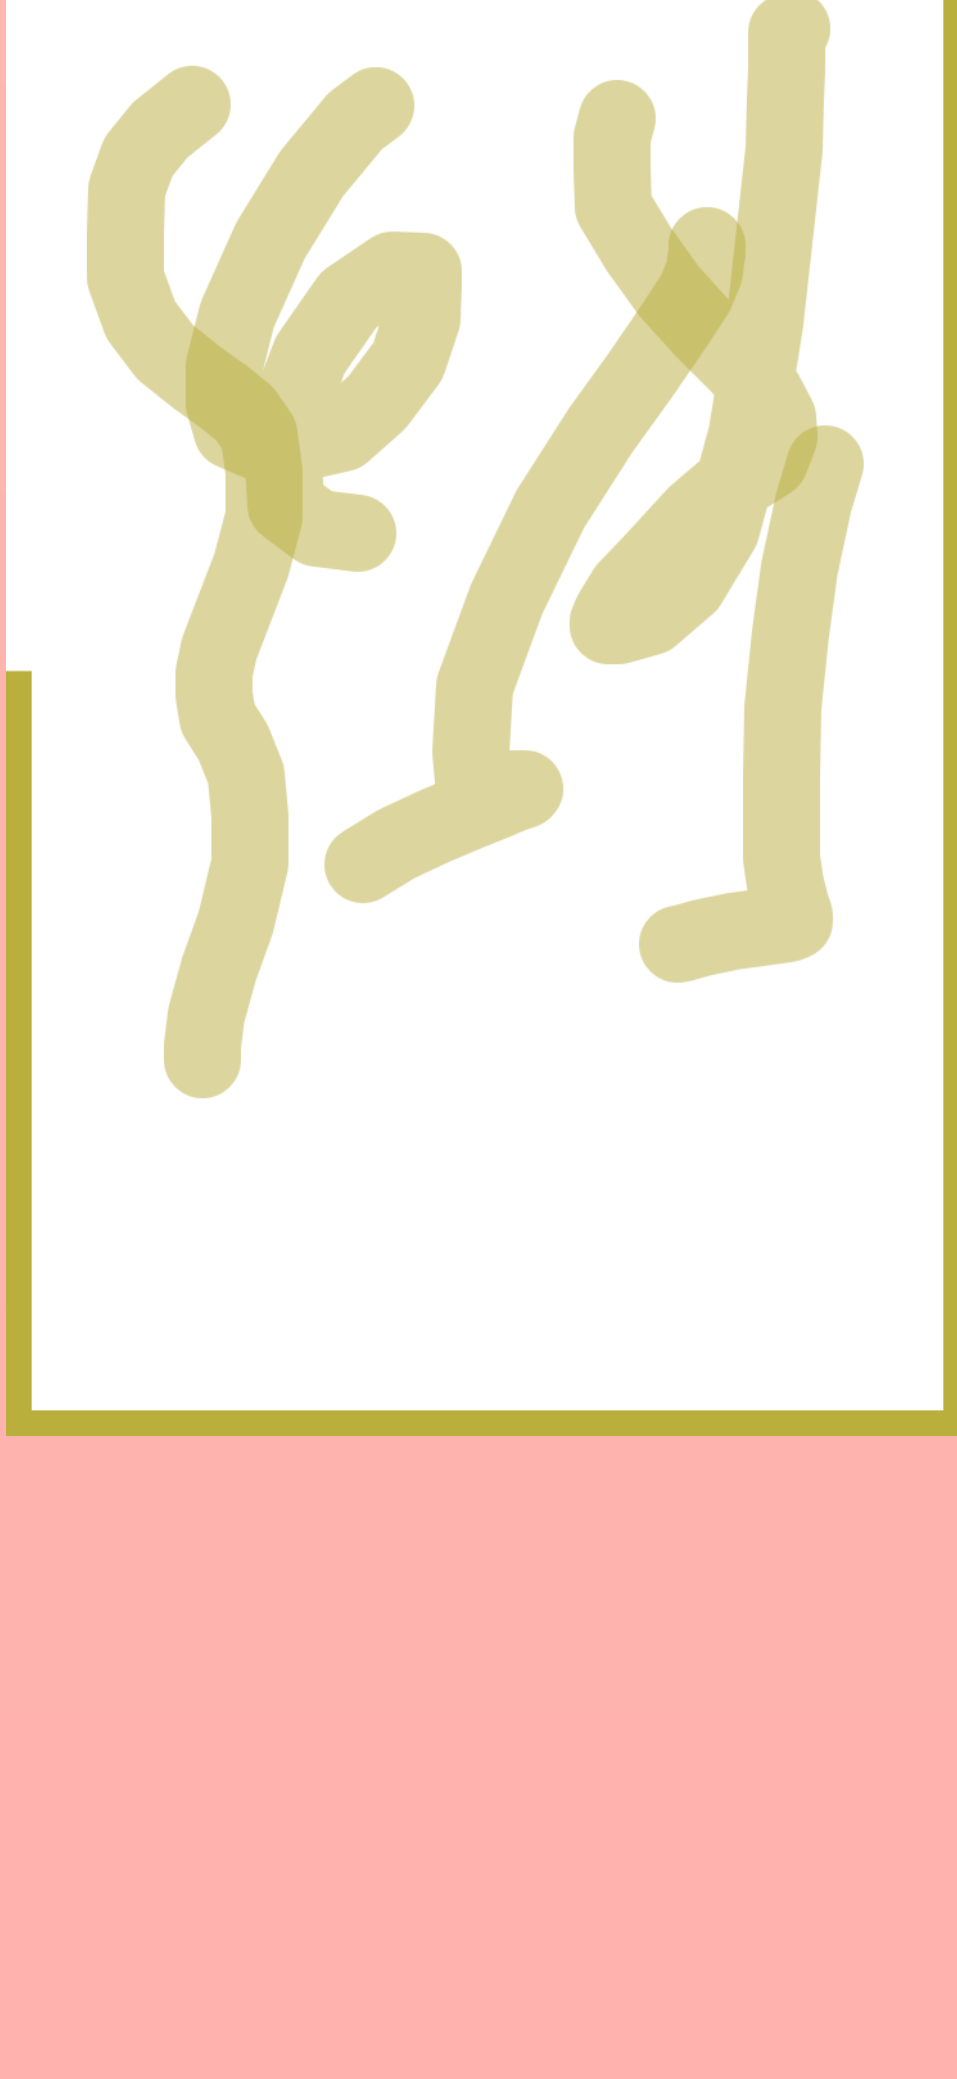

Then you'll be asked
to enter an emotion
that describes **how it**
made you feel.

How do
you feel?
pleasant

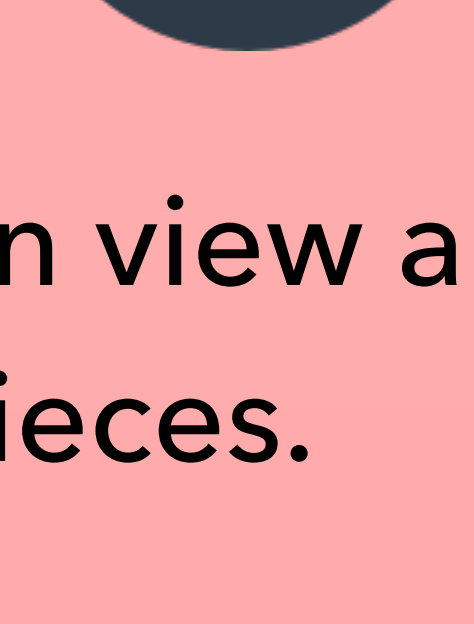

Based on the
sentiment of the
emotion, **you'll be**
given a color.

You'll have 10
seconds to draw
anything you feel
about the piece.

Thats it!

Once you leave the
museum and exit
with this button,

you can view all of
your pieces.
